**Upcoming Event**

**2021 Hanover Research Grantsmanship Workshop**

This two-day event will be held virtually on Thursday, June 10, and Friday, June 11, from 9:00-11:15 a.m. (EST).

Please register online for this event before May 14. Zoom information will be sent to individuals that RSVP.

As a reminder, AgResearch and CVM faculty can work directly with Hanover grant consultants for assistance on grant proposal preparation. If you’re interested in consultation services for a specific proposal, please visit our website and fill out a project request submission form.
Outreach Education and Technical Assistance for Farm Service Agency
This opportunity seeks proposals to support and further expand Farm Service Agency (FSA)’s existing program outreach and education efforts to socially disadvantaged applicants (SDA), specifically farmers and ranchers. The mission of the FSA is equitably serving all farmers and ranchers through the delivery of effective, efficient agricultural programs for all Americans. However, FSA is aware that all farmers and ranchers may not be optimally aware of FSA programs. Therefore, this opportunity is intended to provide additional outreach to SDA farmers and ranchers in areas and communities where additional outreach would be beneficial.
Application Deadline: 5/5/21 | View Opportunity

2021 Agroforestry Outreach Proposals
The US Forest Service requests proposals to substantially expand and accelerate the availability of science-based information to inform landowner decisions on the adoption and design of agroforestry systems. This request for proposals focuses on the USDA National Agroforestry Center goals to increase the understanding and adoption of agroforestry, provide educational materials and training on agroforestry, and to develop technologies and tools in support of agroforestry.
Application Deadline: 5/28/21 | View Opportunity

Tennessee Natural Resources Conservation Agreements FY 2021
The Natural Resources Conservation Service (NRCS), an agency under the US Department of Agriculture, is announcing the potential availability of funding for the purpose of leveraging NRCS resources to encourage collaboration with partners in providing strategic conservation delivery assistance and/or provide tools or data that enhance the ability of the agency to support conservation. The overall intent of this solicitation is to solicit partnerships to help enhance the implementation of key conservation objectives and priorities.
Limited Submission Opportunity | Ten Awards Available
Application Deadline: 6/4/21 | View Opportunity

Distance Learning and Telemedicine Grants
The Distance Learning and Telemedicine program helps rural communities use the unique capabilities of telecommunications to connect to each other and to the world, overcoming the effects of remoteness and low population density.
This program helps rural residents tap into the enormous potential of modern telecommunications and the internet for education and health care, two of the keys to economic and community development.

Foundations
2021 Vector-Borne Disease Request for Proposals
As new vector-borne pathogens continue to be identified and the spread of tick-borne disease rises, the AKC Canine Health Foundation continues its commitment to address this emergent issue by funding critical research to diagnose, prevent, and treat vector-borne diseases in dogs. Diseases of interest include, but are not limited to, heartworm disease, leishmaniasis, ehrlichiosis, anaplasmosis, Rocky Mountain spotted fever, hepatozoonosis, babesiosis, bartonellosis, hemotropic mycoplasmosis, and Lyme disease. The Foundation supports a One Health and multi-disciplinary approach to addressing the health needs of all dogs and their people.
