To notify the Office of Sponsored Programs (OSP) of your intent to apply for any of these or other grant opportunities, please submit a Proposal Intake Questionnaire to provide OSP with preliminary information.

Check out the Office of Sponsored Programs website to view more funding opportunities to consider.
Opportunity to build domestic laboratory capacity by developing the Vet-LIRN laboratory network capabilities and capacity to investigate potential animal foodborne illness outbreaks.

Application Deadline: [View Opportunity]

---

National Institute of Food and Agriculture has announced the Agriculture and Food Research Initiatives AFRI 2022 deadlines. To notify OSP of an upcoming proposal, complete the new online Proposal Intake Questionnaire as soon as you start planning to provide preliminary information about your prospective proposal.

- **Aug. 31:** Bioproduct Pilot Program
- **Aug. 31:** 1890 Institution Teaching, Research, and Extension Capacity Building Grants Program
- **Multiple Deadlines:** AFRI Education and Workforce Development Program

Please recall that there are broader global collaborative efforts available with Ireland and Northern Ireland for certain applications. Contact Tom Gill if you are planning or need assistance to develop partnerships.

All applicants who meet the eligibility requirement as a New Investigator will also be eligible to apply for a seed grant, as well as for a New Investigator (standard) grant. 

[Helpful Hints for New Investigator]
Advancing Informal STEM Learning (AISL)
The Advancing Informal STEM Learning Program is committed to funding research and practice, with continued focus on investigating a range of informal STEM learning (ISL) experiences and environments that make lifelong learning a reality. The AISL Program funds five types of projects: (1) synthesis; (2) conference; (3) partnership development and planning; (4) integrating research and practice; and (5) research in support of wide-reaching public engagement with STEM. Application Deadline: 1/11/23 | View Opportunity
