Funding Opportunities Weekly Digest–November 9, 2021

To notify the Office of Sponsored Programs of your intent to apply for any of these or other grant opportunities, please submit a Proposal Intake Questionnaire to provide OSP with preliminary information.

Check out the Office of Sponsored Programs website to view more funding opportunities to consider.

NovaSeq seminar announcement
Please join us for an Illumina Next Generation Sequencing (NGS) technology discussion focused on the NEW NovaSeq coming to the UT Genomics Core in early 2022! Learn from an Illumina expert, who will present an overview of NGS, including basic concepts and key applications that are ideal for the NovaSeq. November 17 at 10:00 a.m.

Federal
FY22 Bureau of Land Management Bureau-Wide National Landscape Conservation System
The Bureau of Land Management manages these special areas to maintain and enhance their conservation values with the goal to conserve, protect, and restore these important landscapes and their outstanding cultural, ecological, and scientific values. The program seeks to develop and maintain strong partnerships in shared conservation stewardship by engaging partners in conducting management-focused research on the National Conservation Lands.
Application Deadline: 1/14/22 | View Opportunity

Research Grants to Prevent Firearm-Related Violence and Injuries
The intent of this announcement is to support research to improve understanding of firearm injury, inform the development of innovative and promising prevention strategies, and rigorously evaluate the effectiveness of strategies to keep individuals, families, schools, and communities safe from firearm-related injuries, deaths, and crime.
LOI Due: 12/8/21 | Application Deadline: 2/4/22 | View Opportunity

National Institute of Food and Agriculture has announced the AFRI 2022 deadlines so you can start planning well in advance to take advantage of services provided by AgResearch (Hanover, Orange Team Review), OSP, and UT Knoxville Office of Research, Innovation, and Economic Development.
To notify OSP of an upcoming proposal, complete the new online Proposal Intake Questionnaire as soon as you start planning to provide preliminary information about your prospective proposal.

Please recall that there are broader global collaborative efforts available with Ireland and Northern Ireland for certain applications. Contact Tom Gill if you are planning or need assistance to develop partnerships.

All applicants who meet the eligibility requirement as a New Investigator will also be eligible to apply for a seed grant, as well as for a New Investigator (standard) grant. | Helpful Hints for New Investigators

Specialty Crop Multi-State Program
The US Department of Agriculture Agricultural Marketing Service (AMS), requests applications for the fiscal year 2021 Specialty Crop Multi-State Program. AMS will competitively award funds to enhance the competitiveness of specialty crops through collaborative, multi-state projects that address the following regional or national level specialty crop issues: food safety; plant pests and disease; research; crop-specific projects addressing common issues; and marketing and promotion.
Application Deadline: 12/6/21 / View Opportunity

Food Safety Outreach Competitive Grants Program
The Food Safety Outreach Program will complement and expand the national infrastructure of the National Food Safety Training, Education, Extension, Outreach, and Technical Assistance Competitive Grants Program.
Application Deadline: 12/13/21 / View Opportunity
Foundations and Nonprofits

Differentiation of US Full-fat Soybeans (FFSB)-Characterization and Processing
This request for proposal seeks a firm or consultant to generate quantitative data and produce a qualitative assessment to differentiate and position US FFSB as the best source of essential amino acids and energy (CP and oil) among main FFSB-producing countries based on the uniformity and nutrient content of the beans.
Application Deadline: 12/15/21 | View Opportunity
