

Frontiers In Biorefining Conference

**Abstracts Due
September 30, 2010**

October 19-22, 2010

*King and Prince Beach & Golf Resort
St. Simons Island, Georgia, USA*

The program will bring together an internationally recognized group of experts in the field with more being added every day. Don't miss out on this opportunity to hear about the latest breakthroughs in the development of biobased products for the biorefinery! We are still accepting abstracts for selected oral and poster presentations until September 30th. See our website for more details

Fred Baker
Oak Ridge National Laboratory

Jesse Bond
University of Wisconsin

Joe Bozell
University of Tennessee

John Briggs
Dow Chemical

Lew Christopher
SD School of Mines

John Collier
Florida State University

Paul Dauenhauer
University of Massachusetts

Richard Dixon
Noble Foundation

Mario Eden
Auburn

Kevin Edgar
Virginia Tech

Barbara Evans
Oak Ridge National Laboratory

Chip Frazier
Virginia Tech

Andrew Held
Virent Energy Systems

Ed de Jong
Avantium

Nicole Labbé
University of Tennessee

Mike Ladisch
Purdue University

Mark Mascall
University of California

Maureen McCann
Purdue

Hossein Nouredini
University of Nebraska

John Ralph
University of Wisconsin

Roberto Rinaldi
ETH

Robin Rogers
University of Alabama

Orlando Rojas - North Carolina
State University

Adriaan van Heiningen
University of Maine

Ayusman Sen
Penn State

Bill Suehr
NatureWorks

Brent Shanks
Iowa State University

Blake Simmons
JBEI

Hans Theliander
Chalmers

Tang Wong/Maggie Cervin
Goodyear

Susanne Zibek
Fraunhofer Institute
