Real Time PCR - ABI 7900HT Training
Hosted by the Genomics Hub lab
Presented by
Doug Rains, Application Specialist, ABI

March 11th, 2010
8:30 a.m.- 4:00 p.m.
RM 410, Plant Biotech Bldg.

Morning session:
• Introduction to real-time PCR
• Supported chemistries
• End-point applications
• Intro to quantitative PCR
• Assays

Break
{11:30-12:30}

Afternoon session:
• Gene Expression workflow
• FAQs / technical help resources
• Software demo
