

*Department of Plant Sciences
hosts a Special Seminar for the UTIA:*

Dr. Randy Wykoff

East Tennessee State University
Dean, College of Public Health

Extending the Vision: Working Together to Improve Health and Well-being in Tennessee

Thursday, April 28, 3:35-4:25 PM EST, PBB 156/157

Dr. Wykoff will discuss the interrelationship between economic development, health and education, and present the particular health challenges facing our state and region and the unique role we each play in their improvement.

A Zoom connection will be available for those wishing to attend remotely.
