

2017 Fall Plant Sale

List subject to change.

Plants marked with "x" in limited supply.

Type		Common Name	<i>Botanical name</i>	'Cultivar'	Description
Conifer		Japanese Cedar	Cryptomeria japonica	Araucarioides	
Conifer	x	Japanese Cedar	Cryptomeria japonica	Dragon Prince	
Conifer	x	Japanese Cedar	Cryptomeria japonica	Warrior Dragon	
Conifer		All Gold Shore Juniper	Juniperus conferta	All Gold/Golden Pacific	
Conifer	x	Upright Eastern Red Cedar	Juniperus virginiana	Green Point	
Conifer		Upright Eastern Red Cedar	Juniperus virginiana	Taylor	3' wide x 15' tall in ten years, full sun, well drained soil. Native
Conifer		Amber Gold Arborvitae	Thuja occidentalis	Amber Gold / 'Jantar'	We are in love with 'Jantar'. The one in the gardens is just south of the big Ginkgo. Will reach 3' wide and 15' tall!
Conifer		Arborvitae	Thuja occidentalis	Degroot's Spire	sun, tolerant of most any soil but wet, narrow, tight spiraled habit, 12' to 18' tall, great dramatic accent
Conifer	x	Columnar Arborvitae	Thuja occidentalis	Skywalker™	
Conifer		Columnar Arborvitae	Thuja occidentalis	Thin Man™	
Conifer		Columnar Arborvitae	Thuja occidentalis	Yellow Ribbon	
Conifer	x	Dwarf Arborvitae	Thuja orientalis	Morgan	Small pyramid, gold in summer, orange in winter, looks tight and tidy all the time , sun to mostly sun, good drainage
Conifer/ tree	x	Weeping Alaskan Cedar	Chamaecyparis nootkatensis	Green Arrow	
Perennial		Yellow Giant Hyssop	Agastache nepetoides		fast-growing, strong-stemmed native perennial , seed collected in the wild in Carroll Co. 4-6' tall, produces whorls of tiny, greenish-yellow flowers that the bees and butterflies love.

Perennial		Hardy Agave	Agave parryi	J.C. Raulston	Symmetrical 18" tall x 2 1/2' wide rosettes is better adapted to winters in wet and humid climates than most others. Must be planted in soil heavily amended (50%) with crushed gravel such as crushed pea gravel or granite grit. Granite grit sold for chickens works great. Be sure it is granite and not oyster shells. Also mulch with grit. Should be planted in spring or early summer to get well established or pot (and allowed to get bigger) and bring indoors the first winter. If potting use a 6" pot and DO NOT add grit to potting soil. Zone 7
Perennial	x	Variegated Bugle Weed	Ajuga incisa	Bikun	Not what you would expect a Ajuga, clumper with beautiful variegated foliage and blue flowers, best in shade to part shade.
Perennial		Sun King Aralia	Aralia cordata	Sun King	
Perennial		Trailing Dusty Miller	Artemisia stelleriana	Quicksilver™	A standout in the gardens last year. Low trailing habit. Looks great hanging over a retaining wall and pots. Perennial but does not spread like the old 'Silver King' Artemisia
Perennial		Golden Sedge	Carex	Everillo	
Perennial	x	Coreopsis	Coreopsis	Crème Brulee	
Perennial		Leopard Plant	Farfugium	Last Dance	Large green angular leaves form clumps reaching 1 foot tall and up to 3 feet wide topped with a lovely floral display of bright yellow daisies atop 2' stalks starting in late October and continuing through November. Zone 6a
Perennial		Daylily	Hemerocallis	Buttered Popcorn	reblooming, large butter yellow, 18-24" tall
Perennial	x	Black Mondo Grass	Ophiopogon planiscapus	Nigrescens	
Perennial	x	Lungwort	Pulmonaria Longifolia	Diana Clare	the best lungwort for the south
Perennial		Black Eyed Susan	Rudbeckia	Little Henry	A dwarf form of our native sweet coneflower! This is a third shorter than 'Henry Eilers'. Surrounding the traditional brown-eyed Susan cones are narrow quills that jet out all around it.
Perennial		Goldenrod	Solidago rigida	Golden Rockets	Bright gold flowers produced in dense rounded heads on 2' sturdy stems. Foliage is broad and adds to its beauty. Blooms late summer/ fall.
Perennial		Threadleaf Ironweed	Veronia lettermannii	Iron Butterfly	Gorgeous soft threadlike foliage, blooms of truest purple, drought tolerant native, sun, drought tolerant, sun
Shrub		Abelia	Abelia	Fairy Dance	
Shrub	x	Abelia	Abelia mosanensis	Sweet Emotion	
Shrub	x	Butterfly Bush	Buddleia	Miss Ruby	
Shrub		Sweetshrub	Calycanthus x	Aphrodite	fragrant bright red 2-3" flowers, full sun to part shade, 6-8' or more tall

Shrub	x	Hardy Camellia (Zone 6)	Camellia - early spring flowering	Carolina Moonmist	
Shrub		Chinese Fringe Tree	Chionanthus retusus	China Snow	
Shrub		Chinese Fringe Tree	Chionanthus retusus	Duruma	
Shrub		Red Twig Dogwood	Cornus amomum	Cayenne	This native selection stands out because the bright red stems shine all winter, even in the south. Green foliage looks good all summer and porcelain blue berries form in late summer. Good orange-red fall color. Appears to be Japanese beetle resistant in Georgia. Disease as well as canker resistant. Like its cousins, Cayenne is well-suited in shrub borders, good in moist areas and for wetland mitigation.
Shrub		Smoke Bush	Cotinus	Winecraft Black	
Shrub		Paperbush	Edgeworthia chrysantha	Nanjing Gold	Creamy yellow fragrant flower open in February, best in filtered light or morning sun and afternoon shade, plant in early to mid summer to get established before winter
Shrub	x	Witchhazel	Hamamelis x intermedia	Diane	
Shrub	x	Rose of Sharon	Hibiscus syriacus	Pollypetite	
Shrub		Columnar Rose of Sharon	Hibiscus syriacus	Purple Pillar™	Matures to 12' tall and only 3' wide!
Shrub	x	Rose of Sharon	Hibiscus syriacus	Sugar Tips	double pink sterile flowers on beautiful variegated foliage
Shrub	x	Smooth Hydrangea	Hydrangea aborescens	Haas' Halo	
Shrub		Smooth Hydrangea	Hydrangea aborescens	Invincibelle® Spirit II	
Shrub	x	Smooth Hydrangea	Hydrangea arborescens	Incrediball®	
Shrub		Smooth Hydrangea	Hydrangea arborescens	Incrediball® Blush	
Shrub	x	Smooth Hydrangea	Hydrangea arborescens	Invincibelle® Ruby	
Shrub			Hydrangea macrophylla	Endless Summer Twist-n-Shout®	

Shrub		Bigleaf Hydrangea	Hydrangea macrophylla	Lets Dance Diva	
Shrub		Bigleaf Hydrangea	Hydrangea macrophylla	Nikko Blue	
Shrub		Bigleaf Hydrangea	Hydrangea macrophylla	Tuff Stuff	
Shrub		Bigleaf Hydrangea	Hydrangea macrophylla	Wedding Gown	
Shrub		Panicle Hydrangea	Hydrangea paniculata	Bobo	full sun to part shade
Shrub		Panicle Hydrangea	Hydrangea paniculata	Little Lamb	full sun to part shade
Shrub		Panicle Hydrangea	Hydrangea paniculata	Phantom	full sun to part shade. 10-15 tall
Shrub	x	Panicle Hydrangea	Hydrangea paniculata	Fire Light	full sun to part shade
Shrub	x	Panicle Hydrangea	Hydrangea paniculata	Little Quickfire	early bloom on dwarf plant
Shrub		Panicle Hydrangea	Hydrangea paniculata	Pinkey Winkey	full sun to part shade
Shrub		Panicle Hydrangea	Hydrangea paniculata	Quickfire	early blooming
Shrub	x	Oakleaf Hydrangea	Hydrangea quercifolia	Little Honey	best morning sun and afternoon shade
Shrub		Oakleaf Hydrangea	Hydrangea quercifolia	Snowflake	best morning sun and afternoon shade
Shrub		Winterberry Holly	Ilex	Whoa Nellie	Bright gold foliage. 10-12' tall x 6-8' wide in about 10 years.
Shrub	x	Winterberry Holly	Ilex verticillata	Apollo	Male, pollinator for Sparkleberry
Shrub		Winterberry Holly	Ilex verticillata	Southern Gentlemen	
Shrub		Winterberry Holly	Ilex verticillata	Sparkleberry	Noted for its dense, heavy fruiting of bright red berries, with good retention of the fruit throughout winter.
Shrub		Winterberry Holly	Ilex verticillata	Winter Red	

Shrub		Anise Shrub	Illicium parviflorum	Florida Sunshine	Bright gold foliage holds color year round, large evergreen shrub for shade to part shade, wet or dry site (once established), 8 - 10 ft. tall and wide eventually, fab!
Shrub		Hardy Orange	Poncirus trifoliata	Flying Dragon	White flowers in spring lead to orange golf ball size highly fragrant fruit in fall, twisted stems and thorns remain green during winter months, slowly matures to 10 ft. tall, full sun to part shade
Shrub	x	Spirea	Spiraea japonica	Candy Corn	
Shrub		Heat Tolerant Lilac	Syringa x	Betsy Ross	Fragrant white flowers in spring, one of a handful of dependable lilacs for the South
Shrub		Heat Tolerant Lilac	Syringa x hyacinthiflora	Declaration	
Shrub		Salt Cedar	Tamarix	Pink Cascade	
Shrub		Arborvitae	Thuja occidentalis	Janed Gold	
Shrub	x	Dwarf Chastetree	Vitex	Blue Diddley	
Shrub	x	Dwarf Chastetree	Vitex	Delta Blues	
Tree		Lace Leaf Upright Japanese Maple	Acer palmatum var. dissectum	Seiryu	
Tree		River Birch	Betula nigra	Dura-Heat	more drought tolerant than the average riverbirch with better bark and less leaf drop
Tree		Fox Valley™ Dwarf River Birch	Betula nigra	Little King	Dwarf form of native river birch, almost shrub-like but retains the colorful bark characteristics so prized in the full size tree, moist site preferred, sun to part shade
Tree	x	Redbud	Cercis canadensis	Alley Cat	small tree with typical purple bloom followed by foliage splashed with white variegation, stable, said not to burn even in full sun, good drainage, tolerates part shade
Tree	x	Weeping Redbud	Cercis canadensis	Ruby Falls	
Tree		Weeping Redbud	Cercis canadensis var. texensis	Traveler	
Tree		Chinese Redbud	Cercis chinensis	Don Egolf	Compact with handsome green foliage. Vivid purple to mauve flowers cover the stems in spring, sun, good drainage

Tree	x	Pink Kousa Dogwood	Cornus kousa	Rosy Teacups	
Tree	x	Scarlet Fire® Kousa Dogwood	Cornus kousa	Rutpink	
Tree		Daphniphyllum	Daphniphyllum macropodum		A beautiful 10 year old example of this evergreen, large shrub or small tree can be seen growing to the left side of the south entrance of the office building at the UT Gardens
Tree	x	Weeping Asian Persimmon	Diospyros kaki	Shibamichi Weeping	
Tree		Weeping American Persimmon	Diospyros virginiana	Magic Fountain	a weeping female selection of our native persimmon
Tree	x	Ginkgo	Ginkgo biloba	Elmwood	Male, 15-20' by 6-8' wide
Tree	x	Columnar Ginkgo	Ginkgo biloba	Skytower	
Tree	x	Pink Sliverbell	Halesia carolina	Rosea	
Tree	x	Variegated Sweetgum	Liquidambar	Aurea	
Tree	x	Flowering Magnolia	Magnolia	Blushing Bell	
Tree	x	Flowering Magnolia	Magnolia	Cotton Candy	
Tree		Pink Flowering Magnolia	Magnolia	Daybreak	
Tree		Flowering Magnolia	Magnolia	Galaxy	dark red-purple flowers appear after danger of frost, providing a pleasing and long-lasting display. 30-40 and half as wide.
Tree		Flowering Magnolia	Magnolia	Judy Zuk	
Tree		Yellow Flowering Magnolia	Magnolia	Lois	Vigorous yellow flowering form, flowers later than many other yellow allowing it to avoid frost damage
Tree	x	Flowering Magnolia	Magnolia	Sayonara	
Tree		Yellow Flowering Magnolia	Magnolia	Sunsation	Deep golden yellow 6-7" flowers have a purple blushed base and are produced very late but before the leaf avoiding frost. 6-8' wide and 20-25' tall. Full sun to part shade.
Tree		Flowering Magnolia	Magnolia	Yellow Bird	

Tree		Yellow Flowering Magnolia	Magnolia	Gold Star	30-40' tall and half as wide, numerous soft yellow frost tolerant petals
Tree		Yellow Flowering Magnolia	Magnolia	Sunsation	Deep golden yellow 6-7" flowers have a purple blushed base and are produced very late but before the leave avoiding frost. 6-8' wide and 20-25' tall. Full sun to part shade.
Tree		Sweetbay Magnolia	Magnolia virginiana	Green Mile	An unusual tight, mostly evergreen upright form selected by Hidden Hollow Nursery in Tennessee. Fragrant white flowers appear in June and continue blooming for most of the summer. Wet site tolerant.
Tree		Variiegated Sweetbay Magnolia	Magnolia virginiana	Mardi Gras/Mattie Mae Smith	
Tree	x	Columnar Hybrid Oak	Quercus x warei	Windcandle	new introduction of a narrow upright oak from Starhill Forest Arboretum in Illinois
Tree		Pondcypress	Taxodium ascendens	Fox Red	60' tall by 15' wide
Tree		Bald Cypress	Taxodium distichum	Green Whisper™	
Tree		Columnar Bald Cypress	Taxodium distichum var. imbricatum	Prairie Sentinel	Vigorous, columnar with mature height 60' - 70' tall and only 15' wide. Does not develop knees like common bald cypress

Vine/Pere nnial		Clematis	Clematis	Rooguchi	deep blue, my all-time favorite clematis. Dies flat to the ground and comes back with great vigor each year reaching 6-8'. Mine at home is already 5' tall and forming flower buds.
Vine/Pere nnial		Fiona Sunrise Jasmine	Jasminum officinale	Frojas	best spring or summer planted in full sun, need help getting started climbing, 10-15'
Vine/Pere nnial		Trumpet Honeysuckle	Lonicera sempervirens	Major Wheeler	one of the best selections of our native trumpet honeysuckle
