	Edible	Flowering Oregano	Origanum laevigatum			We have had this ornamental oregano growing in the dry bed in the parking lot for three years now and have been impressed. We got our start from Plant Delights.
	Edible	Pepper - hot		Aji Rico	AAS	Refreshing citrus flavor and warm heat level, eat fresh, use in salsas or hot sauces, dries well for homemade "paprika."
	Edible	Greek Columnar Basil				three feet tall and only a foot wide
	Edible	Rosemary - Hardy		Arp		hardy, full sun, well drained soil

	Edible	Pepper			PanAmerican Seed	Snack pepper with uniquely variegated foliage and striped fruit bell-shaped fruit ripens from green and white stripes to solid red
	Edible	Tomato			Candy Cane Red	High yielding red currant-type tomato
	Edible	Tomato			Candyland Red	AAS
	Edible	Tomato			Chef's Choice Green	AAS
	Edible	Tomato			Chef's Choice Orange	AAS
	Edible	Tomato			Chef's Choice Pink	AAS
	Edible	Tomato			Chef's Choice Yellow	AAS
	Edible	Pepper - sweet			Cornito Giallo	AAS

	Edible	Tomato		Fantastico	AAS	Early-maturing, high-yielding grape tomato with built-in late blight tolerance. Bred for small gardens, determinate Fantastico will work in hanging baskets and containers.
	Edible	Tomato		Jasper	AAS	high yielding cherry variety with fruits that stay on the vine and then hold well after ripening fusarium resistance
	Edible	Tomato		Little Bing	PanAmerican Seed	Cherry, compact determinate, tidy habit at less than 2 ft. tall, flourishes in mid-size containers
	Edible	Tomato		Little Sicily	PanAmerican Seed	Slicer tomato, compact determinate, tidy habit at less than 2 ft. tall, flourishes in mid-size containers
	Edible	Pepper		Mad Hatter	PanAmerican Seed	Intriguing specialty/hot pepper ticks the box on all counts: Looks, performance, taste and that oh-so-cool factor!
	Edible	Pepper - sweet		Mama Mia Giallo	AAS	Very early maturing yellow long tapered sweet Italian pepper that is excellent either fresh, grilled or roasted.
	Edible	Tomato		Midnight Snack	PanAmerican Seed	Cherry tomato that ripens red with a blush of glossy black-purple

	Edible	Tomato		Patio Choice Yellow		A determinate yellow cherry tomato developed specifically for small spaces and container gardens. Large yields on 18 inches tall.
	Edible	Pepper - sweet		Pretty N Sweet	AAS	Both ornamental and edible. Sweet, multi-colored prolific producer tastes fantastic!
	Edible	Tomato		Tidy Rose	PanAmerican Seed	deep pink beefsteak – remain compact like a determinate but produce like an indeterminate
x	Perennial	Yellow Giant Hyssop	Agastache nepetoides			fast-growing, strong-stemmed native perennial, seed collected in the wild in Carroll Co. 4-6' tall, produces whorls of tiny, greenish-yellow flowers that the bees and butterflies love.
x	Perennial	Trailing Dusty Miller	Artemisia stelleriana	Quicksilver™	Proven Winners	A standout in the gardens last year. Low trailing habit. Looks great hanging over a retaining wall and pots. Perennial but does not spread like the old 'Silver King' Artemisia
x	Perennial	Canna	Canna	Cannova Red Shades		
x	Perennial	Canna	Canna	Cannova Yellow		
x	Perennial	Pale Purple Coneflower	Echinacea pallida	Hula Dancer		

x	Perennial	Shale Barrens Buckwheat	Eriogonum allenii	Little Rascal		Tidy, low-growing habit of gray-green, paddle-shaped leaves, bursts with golden yellow umbels that age to various shades of bronzy orange in the late summer. Provides habitat and nectar for butterflies, honeybees, bumblebees and hummingbirds. 18-24" tall. Make a good cut flowers. Best sun in rock gardens or any consistently dry site
	Perennial	Gaura	Gaura	Karalee®Petite Pink	Proven Winners	
	Perennial	Gerbera	Gerbera	Hello! Magentamen	Proven Winners	We can't believe how well these gerbera daisy have performed. They have bloomed despite out heat and have been perennial for us since 2015.
	Perennial	Gerbera	Gerbera	Hello! Miss Scarlett	Proven Winners	We can't believe how well these gerbera daisy have performed. They have bloomed despite out heat and have been perennial for us since 2015.

						We can't believe how well these gerbera daisy have performed. They have bloomed despite out heat and have been perennial for us since 2015.
	Perennial	Gerbera	Gerbera	Hello! Pumpkin	Proven Winners	
	Perennial	Scarlet Hibiscus	Hibiscus coccineus			Red 6-8" flowers on 5-7' tall stems, drought tolerant
x	Perennial	Hosta	Hosta	Big Daddy		
x	Perennial	Hosta	Hosta	Fire Island		
x	Perennial	Lavender	Lavender	Bandera Pink		Full sun, well drained soil is a must
x	Perennial	Lavender	Lavender	Bandera Purple		Full sun, well drained soil is a must
	Perennial	Mint on Fire	Monardella macrantha	Marian Sampson		We don't know how this will do in TN. Native to California. Drought tolerant. Good drainage.
x	Perennial	Nierembergia	Nierembergia	Starry Eyes		
x	Perennial	Phlox	Phlox	Wanda		
	Perennial	Black-eyed Susan	Rudbeckia fulgida var.deamii			The basal rosettes of oval, hairy green leaves give rise in early July to nearly 3' tall stems, ending in large, yellow, black-eyed-Susan flowers
	Perennial	Black-eyed Susan	Rudbeckia grandiflora	Sundance		Billowy petals drape downward from a pronounced center cone on branching stems. Three feet tall and serenely beautiful as the sunny blossoms sway in the summer breeze. Sun

	Perennial	Salvia	Salvia	Amistad	Southern Living	This salvia has become one of Jason and Carol's favorites and one of the more asked about plants in the garden. It is sold as zone 8 but has been hardy in the garden here for 4 year. Great for butterflies.
x	Perennial	Bog Sage	Salvia uliginosa			Beautiful sky blue flowers on 3-4' tall plants, spreads, will grow in average to wet soil
	Perennial	Cup Plant	silphium perfoliatum			sunflower-like, Missouri native plant that typically grows 4-8' tall and with square stems and pairs of cup-forming leaves. Flower heads (to 3" diameter) featuring yellow sunflower like blooms in summer. Full sun and average soil.

						Dense, oval to cylindrical tapering large clover like white flowers in June and July, Reblooms after deadheading. Drought tolerant. Tolerates poor garden soil. Prefers soil high in calcium carbonate from underlying chalk or limestone rock. but overall undemanding in care.
	Perennial	Ornamental Clover	Trifolium rubens f. album	Frosty Feathers		
x	Perennial	Native Hardy Verbena	Verbena canadensis			We call this fabulous verbena "Kathy's Kandy" for master gardener Kathy Andrews who brought it to us from her pastures in Carroll County. Non-stop pink blooms, quite fragrant. Full sun, good drainage, native. Spreads nicely.
	Shrub	Bottlebrush Buckeye	Aesculus parviflora			shade to part shade, white bottlebrush shaped flowers in late June and July. Spread over time to form colonies, average soil, native
	Shrub	Beautyberry	Callicarpa			
x	Shrub	Sweetshrub	Calycanthus x	Aphrodite		fragrant bright red 2-3" flowers, full sun to part shade, 6-8' or more tall
	Shrub	Deutzia	Deutzia	Yuki Cherry Blossom
