| Shrub | Sweetshrub          | Calycanthus x          | Aphrodite                 | fragrant bright red 2-3" flowers, full sun to part shade, 6-8' or more tall  |  |
| Shrub | Flowering Quince    | Chaenomeles            | Double Take Orange Storm  | thornless with large bright orange flowers in spring   |  |
| Shrub | Flowering Quince    | Chaenomeles            | Double Take Scarlet       | thornless with large bright pink flowers in spring   |  |
| Shrub | Chinese Fringe Tree | Chionanthus retusus    | China Snow                |  |  |
| Shrub | Chinese Fringe Tree | Chionanthus retusus    | Duruma                    |  |  |
| Shrub | Red Twig Dogwood    | Cornus amomum          | Cayenne                   | This native selection stands out because the bright red stems shine all winter, even in the south. Green foliage looks good all summer and porcelain blue berries form in late summer. Good orange-red fall color. Appears to be Japanese beetle resistant in Georgia. Disease as well as canker resistant. Like its cousins, Cayenne is well-suited in shrub borders, good in moist areas and for wetland mitigation. |  |
