

# 2019 University of Tennessee Gardens Jackson Trial Data

Prepared by Jason Reeves and Carson Brown

Genus	Cultivar	Common Name	Source	June	July	Aug	Sept	Avg.	Comments
Abelmoschus	Candle Fire	Okra	All American Selection	5	5	5	5	5.0	Plants continued to set fruit despite not being picked.
Allium	Warrior	Onion, bunching	All American Selection	5	5	5	5	5.0	What a great plant! Makes an awesome thriller in containers.
Allium tuberosum	Geisha	Garlic Chives	All American Selection	5	5	5	5	5.0	Blooming beautifully in August and a favorite of pollinators
Angelonia	Serenita® Sky Blue	Angelonia	PanAmerican Seed	4	4	4	4.5	4.1	
Angelonia	Serenita® White	Angelonia	PanAmerican Seed	5	5	5	5	5.0	
Angelonia	AngelMist® Spreading Berry Sparkler	Angelonia	Ball FloraPlant	5	5	4.5	4	4.6	The color combination is unique and attractive.
Angelonia	Serenita® Rose	Angelonia	PanAmerican Seed	4	4	4	4	4.0	Vibrant raspberry-rose color flowers
Begonia	Viking™ XL Red on Chocolate	Begonia	All American Selection	4	4	4	5	4.3	
Begonia	Whopper® Red With Bronze Leaf Improved	Begonia	Ball Ingenuity	5	5	5	5	5.0	
Begonia	Whopper® Red With Green Leaf	Begonia	Ball Ingenuity	5	5	5	5	5.0	
Begonia	Whopper® Rose With Bronze Leaf Improved	Begonia	Ball Ingenuity	5	5	5	5	5.0	
Begonia	Whopper® Rose With Green Leaf Improved	Begonia	Ball Ingenuity	5	5	5	5	5.0	
Bidens	Campfire Flame™	Bidens	Proven Winners	4	4	3.5	2.5	3.5	Plants lack vigor. There were no blooms in August nor in September.
Bidens	Goldilocks Rocks® IMP	Bidens	Proven Winners	5	4.5	4	3	4.1	No new flowers in August nor in September
Calibrachoa	Superbells® Blackcurrant Punch	Calibrachoa	Proven Winners	5	5	4.5	4.5	4.8	Rich fuchsia with black currant eye
Calibrachoa	Superbells® Compact Blue	Calibrachoa	Proven Winners	5	5	4.5	4	4.6	The flowers are purple instead of blue.
Calibrachoa	Superbells® Compact Red	Calibrachoa	Proven Winners	4.5	4.5	4.5	4.5	4.5	
Calibrachoa	Superbells® Compact White	Calibrachoa	Proven Winners	5	5	4	4.5	4.6	
Calibrachoa	Superbells® Double Amber	Calibrachoa	Proven Winners	5	5	4.5	5	4.9	The flowers on this cultivar were larger than the rest of the series.
Calibrachoa	Superbells® Double Blue	Calibrachoa	Proven Winners	5	4.5	4	4	4.4	The flowers were purple instead of blue.

Calibrachoa	Superbells® Double Orange	Calibrachoa	Proven Winners	4.5	4.5	4	4	4.3	The "double" in Double Orange was weak and inconsistent.
Calibrachoa	Superbells® Dreamsicle IMP	Calibrachoa	Proven Winners	5	5	5	5	5.0	Vigorous and uniform growth
Calibrachoa	Superbells® Honeyberry	Calibrachoa	Proven Winners	4.5	4.5	5	4.5	4.6	Pale colored foliage as compared to others (in July)
Calibrachoa	Superbells® Watermelon Punch	Calibrachoa	Proven Winners	4.5	4.5	4	4.5	4.4	The color was true to name with an attractive center.
Canna	South Pacific Orange	Canna	All American Selection	4.5	4.5	4	4	4.3	There were very few blooms in August.
Capsicum	Aji Rico	Pepper	All American Selection	5	5	5	5	5.0	Uniquely shaped, 2"-3" fruit
Capsicum	Chili Pie	Pepper	All American Selection	5	5	5	5	5.0	Small bell pepper shaped
Capsicum	Cornito Giallo	Pepper	All American Selection	5	5	5	5	5.0	
Capsicum	Emerald Fire	Pepper	All American Selection	5	5	5	5	5.0	Noticeably dark green foliage
Capsicum	Escamillo	Pepper	All American Selection	5	5	5	5	5.0	
Capsicum	Fire Away™ Hot and Heavy	Hot Pepper	Proven Winners	4	4	4.5	4.5	4.3	Covered with 2" fruit, which starts out yellow and turns to orange-red. The shape was inconsistent between plants and ranges from long and slender to round even bell-pepper shaped.
Capsicum	Flaming Flare	Pepper	All American Selection	5	5	5	5	5.0	
Capsicum	Hot Pops Purple	Ornamental Pepper	PanAmerican Seed	5	5	5	5	5.0	Densely grown peppers above the foliage on a petite plant
Capsicum	Hot Sunset	Pepper	All American Selection	5	5	5	5	5.0	Good producer of fruit that starts out green and turns yellow
Capsicum	Just Sweet	Pepper	All American Selection	5	5	5	5	5.0	Good producer of sweet fruit that starts out green and turns orange; The plants reached 4' by September.
Capsicum	Mad Hatter	Pepper	All American Selection	5	5	5	5	5.0	The fruit is a lobed-bell shape.
Capsicum	Mexican Sunrise	Pepper, Hungarian	All American Selection	5	5	4.5	4.5	4.8	Banana pepper shaped up to 5" long starts yellow turning to orange then red

Capsicum	Orange Blaze	Pepper	All American Selection	5	5	5	5	5.0	Fruit starts out green and turns orange and has a bland flavor that is neither hot nor sweet.
Capsicum	Pretty N Sweet	Pepper	All American Selection	5	5	5	5	5.0	1.5" fruit
Capsicum	Red Ember	Pepper, Cayenne	All American Selection	5	5	5	5	5.0	Good producer of green, 2"-3" fruit
Capsicum	Roulette	Pepper, Habanero	All American Selection	5	4	4	5	4.5	Very few fruit in August; There was more fruit in September.
Capsicum	Sweet Sunset	Pepper	All American Selection	5	5	5	5	5.0	
Capsicum	Sweetie Pie	Pepper	All American Selection	5	5	5	5	5.0	Good producer of fruit that starts out green and turns red
Capsicum annuum	Black Hawk	Ornamental Pepper	All American Selection	4	4.5	4.5	4.5	4.4	In August the fruit was still hidden by the foliage. By September, the fruit began to turn red and became more apparent.
Capsicum annuum	Onyx Red	Ornamental Pepper	All American Selection	4.5	4.5	4.5	4.5	4.5	The fruit was hidden by attractive nearly black foliage on compact plants.
Celosia	Asian Garden	Celosia	All American Selection	5	5	5	4.5	4.9	Very floriferous. Plants began lodging in September
Cuphea	FloriGlory Diana	Cuphea	All American Selection	5	5	5	5	5.0	The flowers were larger than the average Mexican heather.
Cuphea	Honeybells	Cuphea	Ball FloraPlant	5	5	5	5	5.0	10-12" tall and 14-20" wide, covered all summer long with ½" long tubular coral pink blooms highlighted by white and chartreuse at the tips. Worked well in the ground as well as a spot
Cuphea	Starfire Pink	Cuphea		5	5	4	5	4.8	Few flowers in August; The plants were in full bloom in September and covered with bees.
Cuphea	Vermillionaire	Firecracker Plant	Proven Winners	5	5	5	5	5.0	Always an excellent performer
Cuphea Ilevera	Siracha Rose	Cuphea		4	4.5	5	4.5	4.5	Strong violet
Cuphea Ilevera	Siracha Violet	Cuphea		4	4.5	5	4	4.4	Unique cuphea flower
Cuphea Ilevera		Batface Cuphea		5	5	5	5	5.0	An old favorite; Great for the pollinators
Dahlia	City Lights™ Golden Yellow	Dahlia	Selecta	4	4	4	3.5	3.9	Dense/compact plants, which did not begin to bloom until September

Dahlia	City Lights™ Lavender Pink	Dahlia	Selecta	4	4	4	4	4.0	There was an average of less than one flower per plant in July and August. In September there were 3-5 blooms per plant.
Dahlia	City Lights™ Purple	Dahlia	Selecta	4	4	4	4	4.0	There was an average of less than one flower per plant in July and August. There were a few more flowers in September.
Dahlia	Venti Tequila Sunrise	Dahlia	Selecta	4	4	4	4	4.0	Dense/compact plants, which did not begin to bloom until September
Dianthus interspecific	Jolt™ Pink	Dianthus	All American Selection	5	5	5	5	5.0	The plant was well-branched with hot pink blooms. It continued to perform in August.
Dianthus interspecific	Supra Pink	Dianthus	All American Selection	5	4.5	4	4	4.4	Pink, feathery petals
Euphorbia	Diamond Mountain™	Euphorbia	Proven Winners	4.5	4.5	4.5	4.5	4.5	Open, airy blooming habit
Euphorbia	Diamond Snow™	Euphorbia	Proven Winners	5	5	5	5	5.0	Compact plants with a high density of blooms
Euphorbia	Glamour Improved	Euphorbia	PanAmerican Seed	4	4	4.5	5	4.4	
Foeniculum	Antares	Fennel	All American Selection	5	5	5	3	4.5	
Gaillardia	Heat it Up™ Red	Gaillardia	Proven Winners	5	5	5	5	5.0	Continued to produce a profusion of flowers in August and September with out any dead-heading at a uniform height of 1'
Gaillardia	Heat it Up™ Yellow	Gaillardia	Proven Winners	5	5	4.5	4	4.6	Continued to produce a profusion of flowers in August and September with out any dead-heading at a uniform height of 1'
Gomphrena	Truffula™ Pink	Proven Winners	Proven Winners			5	5	5.0	Awesome! Dense and compact compared to 'Fireworks'. Very floriferous and starts blooming early compared to 'Fireworks'
Gypsophyla	Gypsy White Improved	Baby's Breath	All American Selection	5	4.5	2.5	0	3.0	Half of the plants had died by August 13th.
Helianthus	Suncredible™ Yellow	Sunflower	Proven Winners	5	5	5	5	5.0	Outstanding In July, the size is 3'x3' with a profusion of flowers. The performance was maintained in August. The blooms began slowing down in September.
Helichrysum	Silver Threads	Helichrysum	Selecta	5	4	4	5	4.5	Feeding and webbing caused by American Lady butterfly caterpillar can be a issue
Impatiens	Bounce™ Bright Coral		Selecta	5	5	5	5	5.0	Profusion of flowers in July and August

Impatiens	Rockapulco® Orange		Proven Winners	5	5	5	2	4.3	Began showing possible symptoms of downy mildew in August
Impatiens	Big Bounce™ Cherry	Impatiens	Selecta	5	5	5	5	5.0	Profusion of flowers in July and August
Impatiens	Big Bounce™ Lavender	Impatiens	Selecta	4.5	4.5	4.5	4.5	4.5	
Impatiens	Big Bounce™ Lavender Flame	Impatiens	Selecta	4.5	4.5	5	5	4.8	Profusion of flowers in August
Impatiens	Big Bounce™ Lilac	Impatiens	Selecta	4.5	5	5	5	4.9	
Impatiens	Big Bounce™ Pink	Impatiens	Selecta	4.5	4.5	5	5	4.8	
Impatiens	Big Bounce™ Red	Impatiens	Selecta	4.5	4.5	4	4	4.3	There are 50% less blooms on this cultivar than the rest in the series.
Impatiens	Bounce™ Cherry	Impatiens	Selecta	4.5	4.5	5	5	4.8	
Impatiens	Bounce™ Pink Flame	Impatiens	Selecta	4.5	5	5	5	4.9	Profusion of flowers in July and August
Impatiens	Bounce™ Violet	Impatiens	Selecta	4.5	4.5	4.5	4.5	4.5	There were fewer flowers than the rest in the series.
Impatiens	Bounce™ White	Impatiens	Selecta	4.5	4	4.5	4.5	4.4	
Impatiens walleriana	Beacon™ Orange		PanAmerican Seed	4	4	4	5	4.3	
Impatiens walleriana	Beacon™ Salmon		PanAmerican Seed	5	5	5	5	5.0	
Impatiens walleriana	Beacon™ Violet Shades		PanAmerican Seed	4.5	4.5	4.5	4.5	4.5	
Ipomoea	Sweet Caroline™ Red Hawk	Sweet Potato Vine	Proven Winners	5	5	5	5	5.0	The new growth starts out chartreuse contrasting beautifully with the mature maroon foliage.
Isotoma	Patti's Pink™		Proven Winners	5	5	4	4	4.5	Distinct flower and foliage
Lantana	Bloomify™ Red	Lantana	Ball FloraPlant	5	5	5	5	5.0	The plant was well branched, dense, and compact. In June and July, the flowers had a nice color combination and variation ranging from yellow to pinkish red. In August and September, the flowers ranged from orange to red. By September the plants had grown to 2' with a uniform branch height. However, some plants had laid over.
Lantana	Luscious® Goldegate	Lantana	Proven Winners	5	5	5	5	5.0	Flashing, consistent yellow blooms on a full, sprawling plant
Lantana	Lucky™ Red	Lantana	Ball FloraPlant	5	5	5	5	5.0	Mostly orange blooms on a 1.5'x2' full, sprawling plant
Lantana	Luscious Marmalade	Lantana	Proven Winners	5	5	5	5	5.0	Silver dollar orange flowers on large 2'x3' spreading plants

Lantana	Luscious Pinkberry Blend	Lantana	Proven Winners	5	5	5	5	5.0	Vigorous, dense, and spreading plants with a mix of pink and pale yellow flowers
Lycopersicon	Artemis	Tomato	PanAmerican Seed	5	5	5	5	5.0	This is a good cherry size tomato producer.
Lycopersicon	Chef's Choice Pink	Tomato	All American Selection	5	4	3	2	3.5	Poor producer
Lycopersicon	Chef's Choice Black	Tomato	All American Selection	5	4	3	2	3.5	Poor producer
Lycopersicon	Chef's Choice Green	Tomato	All American Selection	5	4	3	3	3.8	Poor producer; Production increased in September.
Lycopersicon	Chef's Choice Red	Tomato	All American Selection	5	4	3	3	3.8	Poor producer; Production increased in September.
Lycopersicon	Chef's Choice Yellow	Tomato	All American Selection	5	4	3	3	3.8	Poor producer
Lycopersicon	Goodhearted™	Tomato	Proven Winners	5	5	x	x	5.0	
Lycopersicon	Midnight Snack	Tomato	All American Selection	5	5	5	5	5.0	Good producer of cherry sized fruit; up to 1/3 of the top of the fruit is black then fades to red below
Lycopersicon	Mountain Rouge	Tomato	All American Selection	5	5	5	4	4.8	Pink slicing sized fruit; not a good producer
Lycopersicon	Red Racer	Tomato, Cocktail	All American Selection	5	5	5	0	3.8	Cocktail sized (larger than cherry, smaller than standard) fruit
Lycopersicon	Valentine	Tomato	All American Selection	5	5	5	5	5.0	Good producer of miniature roma shaped grape tomatoes
Mecardonia	GoldDust®	Mecardonia	Proven Winners			5	5	5.0	Always a good performer
Nemesia	Aromance™ Pink	Nemesia	Proven Winners	5	4.5	4.5	4.5	4.6	Despite the heat of July and August, the plants continued to flower.
Nemesia	Sunsatia® Cranberry Red	Nemesia	Proven Winners	4	3	2	1	2.5	No flowers in July and thereafter
Ocimum	Amazel™	Basil	Proven Winners	5	5	5	5	5	Robust plants produced lots of large leaves. A few flowers were produced late in the season. Resistant to downy mildew.
Ocimum	Everleaf Emerald Towers	Basil	PanAmerican Seed	5	5	5	5	5.0	Seed-grown, upright form producing an abundance of medium size leave. Resistant to downy mildew.
Ocimum	Newton	Basil	PanAmerican Seed	5	5	5	5	5.0	
Osteospermum	Bright Lights™ Berry Rose	African Daisy	Proven Winners	5	4	3	1.5	3.4	Pale yellow as opposed to rose. There were very few flowers in August and September.
Osteospermum	Bright Lights™ Purple	African Daisy	Proven Winners	5	4.5	3	2.5	3.8	There were very few flowers in August and September.

Osteospermum	Bright Lights™ White	African Daisy	Proven Winners	5	5	3.5	3.5	4.3	There were very few flowers in August and September.
Pelargonium	Galaxy™ Dark Red	Zonal Geranium	Ball FloraPlant	5	4.5	4	4.5	4.5	
Pelargonium	Galaxy™ Pink	Zonal Geranium	Ball FloraPlant	5	4.5	4.5	4.5	4.6	
Pelargonium	Galaxy™ Violet	Zonal Geranium	Ball FloraPlant	5	4.5	4.5	4.5	4.6	Lovely glowing flower color
Pelargonium	Galaxy™ White	Zonal Geranium	Ball FloraPlant	4.5	4.5	3.5	3.5	4.0	
Penstemon	Twizzle Purple	Penstemon	All American Selection	4.5	4.5	4	4	4.3	
Pentas	Lucky Star® Lavender	Pentas	PanAmerican Seed	4	4.5	4.5	5	4.5	
Pentas	Lucky Star® Lipstick	Pentas	PanAmerican Seed	4	4.5	5	5	4.6	
Pentas	Lucky Star® White Improved	Pentas	PanAmerican Seed	4	4.5	4.5	4.5	4.4	
Pentas	Sunstar™ Lavender	Pentas	Proven Winners	4.5	4.5	5	4.5	4.6	The sunstars were slow to start flowering.
Pentas	Sunstar™ Pink	Pentas	Proven Winners	4	4	4	4	4.0	The sunstars were slow to start flowering.
Pentas	Sunstar™ Red	Pentas	Proven Winners	4	4	4	4	4.0	The sunstars were slow to start flowering.
Pentas	Sunstar™ Rose	Pentas	Proven Winners	4.5	4.5	4.5	4.5	4.5	The sunstars were slow to start flowering.
Pentas	Lucky Star® Violet	Pentas	PanAmerican Seed	4	4.5	4.5	3	4.0	In Aug and Sept the foliage yellowed. We were unable to determine the cause.
Petunia	Easy Wave® Lavender Sky Blue	Petunia	PanAmerican Seed	3	2	2	0.5	1.9	
Petunia	Easy Wave® Pink Passion	Petunia	PanAmerican Seed	5	4	3	2	3.5	
Petunia	Easy Wave® Red Improved	Petunia	PanAmerican Seed	4.5	3.5	2	0.5	2.6	
Petunia	Easy Wave® Violet Improved	Petunia	PanAmerican Seed	5	4.5	0	0	2.4	
Petunia	Easy Wave® Yellow	Petunia	PanAmerican Seed	5	4.5	3	1.5	3.5	
Petunia	Supertunia Vista® Snowdrift	Petunia	Proven Winners	4	4	3	1	3.0	Clean white flowers
Petunia	Supertunia® Mini Vista Indigo IMP	Petunia	Proven Winners	4.5	5	4.5	2	4.0	
Petunia	Supertunia® Raspberry Rush	Petunia	Proven Winners	4.5	3.5	2.5	0.5	2.8	Lacks vigor and consistent pattern
Petunia	Supertunia® Sharon	Petunia	Proven Winners	5	5	4.5	4.5	4.8	
Petunia	Tidal Wave® Red Velour	Petunia	All American Selection	5	5	5	4	4.8	
Petunia	Wave® Carmine Velour	Petunia	All American Selection	5	5	5	4.5	4.9	
Petunia	Wave® Misty Lilac	Petunia	PanAmerican Seed	5	4	3	1.5	3.4	
Petunia	Wave® Purple	Petunia	PanAmerican Seed	5	5	4.5	4	4.6	
Petunia	ColorRush™ Blue	Petunia	Ball FloraPlant	4.5	4.5	4	3	4.0	
Petunia	ColorRush™ Merlot Star	Petunia	Ball FloraPlant	5	4	3	0.5	3.1	The plants flowered profusely along the stem. After setting seed, flowering diminished greatly.
Petunia	ColorRush™ Pink	Petunia	Ball FloraPlant	5	4.5	4.5	1	3.8	

Petunia	ColorRush™ Pink Vein	Petunia	Ball FloraPlant	5	4.5	3.5	1	3.5	White flowers with a strong pink vein
Petunia	ColorRush™ Purple	Petunia	Ball FloraPlant	4.5	5	4	3	4.1	Rich colored flowers
Petunia	ColorRush™ Watermelon Red	Petunia	Ball FloraPlant	4.5	5	4	2.5	4.0	Coral red flowers
Petunia	ColorRush™ White	Petunia	Ball FloraPlant	4	4	4	3	3.8	Clean white flowers
Portulaca	Mojave® Red Imp	Portulaca	Proven Winners	5	5	5	5	5.0	The plants have grown vigorously and have electric-pink blooms.
Salvia	Big Blue	Salvia	PanAmerican Seed	5	5	5	5	5.0	Robust plant with nice clean foliage. Grown from seed it began blooming in July with a profusion of flowers in August, which continued until frost. These plants are preferred by bees and butterflies. In September, the plants topped out at 3' in height.
Salvia	Rockin Deep Purple	Salvia	Proven Winners	5	5	5	5	5.0	
Salvia	Rockin Fuchsia	Salvia	Proven Winners	4.5	5	5	5	4.9	Compact growth habit; The fuchsia blooms contrast well with the burgundy calyx.
Salvia	Rockin® Blue Suede Shoes	Salvia	Proven Winners	5	5	4.5	4.5	4.8	Vibrant blue blooms
Salvia	Skyscraper Pink	Salvia	Selecta	5	5	5	5	5.0	Rich, fuchsia-pink blooms with a dark, contrasting calyx
Salvia	Purple & Bloom	Salvia	Ball FloraPlant	5	5	4.5	5	4.9	Royal purple flower with dark purple calyx
Salvia	Skyscraper™ Orange	Salvia	Selecta	5	5	5	5	5.0	Abundant hot pink flower with mauve calyx that ages to dull green
Salvia farinacea	Unplugged™ So Blue	Mealycup Sage	Proven Winners	5	5	5	5	5.0	The flower spikes are upright with dense, indigo-colored blooms; Plant height reaching 18" in September
Salvia coccinea	Summer Jewel Lavender	Scarlet Salvia	All American Selection	4	4	3.5	3.5	3.8	Muddy, lavender blooms
Salvia coccinea	Summer Jewel White	Scarlet Salvia	All American Selection	5	5	4.5	5	4.9	
Scaevola	Whirlwind® Blue IMP	Fan Flower	Proven Winners	5	5	5	5	5.0	The blooms are more purple than blue.
Scaevola	Whirlwind™ Pink	Fan Flower	Proven Winners	5	5	5	5	5.0	Great color; Very floriferous; Comparatively dense; Awesome in pots!
Solenostemon	ColorBlaze Torchlight	Coleus	Proven Winners	4.5	5	5	5	4.9	Beginning to flower in September
Solenostemon	ColorBlaze® Golden Dreams™	Coleus	Proven Winners	5	5	5	5	5.0	Large bold leaves had an attractive, contrasting pattern of maroon veins. A favorite.

Solenostemon	ColorBlaze® Royale Cherry Brandy™	Coleus	Proven Winners	4.5	4.5	4.5	4.5	4.5	The miniscule amount of green on the edge looked untidy. The older leaves faded to copper making it look untidy.
Solenostemon	ColorBlaze® Wicked Hot	Coleus	Proven Winners	5	5	4.5	4	4.6	Wilts in the heat of the day; full bloom in September
Solenostemon	ColorBlaze® Wicked Witch	Coleus	Proven Winners	5	5	5	5	5.0	Eye-catching burgundy foliage with sharp chartreuse border on a deeply serrated edge
Solenostemon	FlameThrower™ Salsa Roja	Coleus	Ball FloraPlant	5	5	5	5	5.0	
Solenostemon	FlameThrower™ Salsa Verde	Coleus	Ball FloraPlant	5	5	5	5	5.0	Dense/compact growth with bright chartreuse foliage
Solenostemon	FlameThrower™ Serrano	Coleus	Ball FloraPlant	5	5	5	5	5.0	The contrast is striking between the maroon with yellow edge. The plants began to flower in September.
Solenostemon	FlameThrower™ Spiced Curry	Coleus	Ball FloraPlant	5	5	5	5	5.0	
Solenostemon	Pinkplosion™	Coleus	Ball FloraPlant	5	5	5	5	5.0	There was less cream color in the center of the leaf than there was last year. The plants began to flower in September
Sutera	Snowstorm® Blue NEW	Bacopa	Proven Winners	5	4	4	4	4.3	
Sutera	Snowstorm® Glacier Blue	Bacopa	Proven Winners	5	4.5	4	4	4.4	
Sutera	Snowstorm® Pink NEW	Bacopa	Proven Winners	5	4.5	4.5	4	4.5	Large and lovely soft pink flowers with dark eye
Sutera	Snowstorm® Rose	Bacopa	Proven Winners	5	4.5	4	4	4.4	
Sutera	Snowstorm® Snow Glove IMP	Bacopa	Proven Winners	5	4.5	4.5	4.5	4.6	Larger flower than the rest; The flowering decreased after July.
Tagetes	Big Duck Gold	Marigold	All American Selection	5	5	5	5	5.0	The plants were 2' tall and well branched with deep green foliage and vibrant 2" - 3" flowers. Plants began lodging in September
Tagetes	Super Hero Spry	Marigold	All American Selection	5	5	4.5	4.5	4.8	Began splitting/lodging in August
Verbena	Superbena Sparkling® Amethyst IMP	Verbena	Proven Winners	5	4.5	4	4	4.4	Unique pattern of purple on the top and white or lavender on the bottom in July. There were few flowers in August and September.
Verbena	Superbena Sparkling® Rose`	Verbena	Proven Winners	4	3	1.5	0.5	2.3	The petals had a unique pattern of dark pink on the top and light pink on the bottom. However, the plants lacked vigor. There were no flowers and had stopped growing at 6"x8" in August.
Verbena	Lascar™ Vampire	Verbena	Selecta	4.5	4.5	4	4	4.3	Rich, deep red flowers
Vinca	Mega Bloom Orchid Halo	Vinca	All American Selection	5	5	5	5	5.0
