

2016 Fall Plant Sale, Oct. 6, 3-6 pm

Plants highlighted in orange are new to the fall plant sale. Plants highlighted in yellow need extra protection when fall planted especially if we have a colder than average winter. Plants highlighted in green are new in our trials. We would love to know how they do for you!

Quantities are listed where we have an extremely limited supply.

Quantity	Type	Common Name	Botanical name	'Cultivar'	Description
	Annuals	Pansies			
	Bog Plant	Pitcher Plant	Sarracenia	Dana's Delight	should be set in dish of standing water outdoors or planted in a bog garden. Winter hardy but if left in a small pot best brought into a garage when temperatures get in the single digit.
	Conifer	Cryptomeria	Cryptomeria japonica	Chapel View	full dense pyramid, blue green foliage looks good thru winter, 8' tall, 5' wide, good drainage, sun to partial shade, Dirr rates highly
	Conifer	All Gold Shore Juniper	Juniperus conferta	All Gold	
	Conifer	Creeping Juniper	Juniperus horizontalis	Good Vibrations Gold	
4	Conifer		Juniperus squamata	Holger	It is noted for its yellow new growth that creates an attractive bicolor foliage effect in spring eventually maturing to blue-green by summer.
	Conifer	Dwarf Blue Eastern Red Cedar	Juniperus virginiana	Glauca Compacta	
	Conifer	Upright Eastern Red Cedar	Juniperus virginiana	Green Point	
	Conifer	Upright Eastern Red Cedar	Juniperus virginiana	Taylor	
	Conifer	Amber Gold Arborvitae	Thuja occidentalis	Amber Gold / 'Jantar'	We are in love with 'Jantar'. The one in the gardens is just south of the big Ginkgo. Gold, 3' wide by 15' tall!
	Conifer	Arborvitae	Thuja occidentalis	Degroot's Spire	sun, tolerant of most any soil but wet, narrow, tight spiraled habit, slowly to 12' to 15', great dramatic accent
	Conifer	Columnar Arborvitae	Thuja occidentalis	American Pillar	
	Conifer	Columnar Arborvitae	Thuja occidentalis	Skywalker™	
	Conifer	Columnar Arborvitae	Thuja occidentalis	Thin Man™	
	Conifer	Columnar Arborvitae	Thuja occidentalis	Yellow Ribbon	

	Conifer	Franky Boy Arborvitae	Thuja orientalis	Franky Boy	A dwarf evergreen conifer with a broad upright form. Pretty foliage is thread-like and golden. Wonderful in winter when 'Franky Boy' turns to bronze-orange. Prefers full sun in well-drained soil.
	Conifer	Dwarf Arborvitae	Thuja orientalis	Morgan	Small pyramid, gold in summer, orange in winter, looks tight and tidy all the time , sun to mostly sun, good drainage
5	Conifer		Chamaecyparis obtusa	Gemstone	Sold in a 3" pots, these small conifers are fabulous accents in winter containers. Often they can be used as container plants for several years before outgrowing the pots.
5	Conifer		Chamaecyparis pisifera	Squarrosa Intermedia	Sold in a 3" pots, these small conifers are fabulous accents in winter containers. Often they can be used as container plants for several years before outgrowing the pots.
5	Conifer		Chamaecyparis thyoides	Top Point	Sold in a 3" pots, these small conifers are fabulous accents in winter containers. Often they can be used as container plants for several years before outgrowing the pots.
5	Conifer		Cotoneaster microphyllus	Thymifolius	Sold in a 3" pots, these small conifers are fabulous accents in winter containers. Often they can be used as container plants for several years before outgrowing the pots.
5	Conifer	Dwarf Japanese Cedar	Cryptomeria japonica	Tansu	Sold in a 3" pots, these small conifers are fabulous accents in winter containers. Often they can be used as container plants for several years before outgrowing the pots.
5	Conifer	Miniature Japanese Holly	Ilex crenata	Jersey Jewel	Sold in a 3" pots, these small conifers are fabulous accents in winter containers. Often they can be used as container plants for several years before outgrowing the pots.
5	Conifer		Juniperus squamata	Blue Star	Sold in a 3" pots, these small conifers are fabulous accents in winter containers. Often they can be used as container plants for several years before outgrowing the pots.
5	Conifer		Osmanthus hererophyllu	Goshiki	Sold in a 3" pots, these small conifers are fabulous accents in winter containers. Often they can be used as container plants for several years before outgrowing the pots.
5	Conifer	Miniature Dwarf Albata Spruce	Picea glauca	Jean's Dilly	Sold in a 3" pots, these small conifers are fabulous accents in winter containers. Often they can be used as container plants for several years before outgrowing the pots.

5	Conifer	Mugo Pine	Pinus mugo	Mops	Sold in a 3" pots, these small conifers are fabulous accents in winter containers. Often they can be used as container plants for several years before outgrowing the pots.
5	Conifer	Whipcord Arborvitae	Thuja plicata	Whipcordi	Sold in a 3" pots, these small conifers are fabulous accents in winter containers. Often they can be used as container plants for several years before outgrowing the pots.
5	tree/dwarf	Dwarf Lacebark elm	Ulmus parviflora	Hokkaido	Sold in a 3" pots, these small miniatures are fabulous accents in winter containers. Often they can be used as container plants for several years before outgrowing the pots.
	Conifer/tree	Weeping Alaskan Cedar	Chamaecyparis nootkatensis	Green Arrow	
	Perennial	Yarrow	Achillea	Little Moonshine	
8	Perennial	Dusty Miller	Artemisia stelleriana	Quicksilver	A ground cover type dustymiller. Looks great in the garden here at UT.
	Perennial	Giant Reed	Arundo donax	Peppermint sticks	Peppermint Sticks does not lose it's white variegation as the summer heat rises. By the end of the summer it reaches 10 to 12 feet tall and is topped with an 18 inch bronze colored plumes.
	Perennial	Swamp Milkweed	Asclepias incarnata	Ice Ballet	White flowers, best in moist to wet soil
	Perennial	Brunnera	Brunnera Macrophylla	Silver Heart	
	Perennial	Sedge	Carex oshimensis	Everillo	part sun to shade
	Perennial	Autumn Fern	Dryopteris	Brilliance	
	Perennial	Shale Barrens Buckwheat	Eriogonum allenii	Little Rascal	Tidy, low-growing habit of gray-green, paddle-shaped leaves, bursts with golden yellow umbels that age to various shades of bronzy orange in the late summer. Provides habitat and nectar for butterflies, honeybees, bumblebees and hummingbirds. 18-24" tall. Make a good cut flowers. Best sun in rock gardens or any consistently dry site
	Perennial	Leopard Plant	Farfugium japonicum	Gigantea	Giant leaves 10"-14" across. Clump to 30" wide is topped in late October with 4' tall stalks of bright yellow daisies. Prefers a couple of hours of morning and moist but well-drained soil. Zone 7b. Best in a protected side with extra winter protection. It is also a great for a dynamic container planting where it can be brought into a garage or indoors in the winter.
	Perennial	Geranium	Geranium	Rozanne	

	Perennial	Ox Eyed Sunflower	Heliopsis helianthoides	Burning Hearts	Black stems, sturdy habit, bicolored, vivid red-eyed and golden flowers in July - October, honey-bee food plant, suitable for cut flowers
4	Perennial	Daylilly	Hemerocallis	Steeple Jackie	Flowers a month later than other daylilies with 5' tall, 7-way branched spikes of fragrant yellow flowers with as many as 50 flowers per stem.
	Perennial	Scaly Blazing Star	Liatris squarrosa		
	Perennial	Golden Monkey Grass	Liriope muscari	Peedee Ingot	
	Perennial	Lace Leaved Lysimachia	Lysimachia lanceolata		2' tall sun perennial, cheerful yellow flower in summer. Slowing spreading
	Perennial		Miscanthus	Morning Light	
	Perennial	Pink Muhly Grass	Muhlenbergia capillaris		Pink plums in late summer, 30"
	Perennial	Mexican Feather Grass	Nasella tenuissima		Perennial, 2', sun, dry soil, effective year round, soft full mound of dancing blonde wisps, reseeds, but not rudely
	Perennial	Switchgrass	Panicum virgatum	Northwind	the most upright of the switchgrasses, best in poor unirrigated soil
	Perennial	Hybrid Phlox	Phlox	Minnie Pearl	pure white flowers on compact plant, 1' tall 2' wide, long bloom season, no mildew, sun to mostly sun, good drainage, a Jason and Judy fave!
	Perennial	Variegated Solomon's Seal	Polygonatum odoratum	Variegatum	Best in moist rich soil, shade to part shade
	Perennial	Dwarf Black Eyed Susan	Rudbeckia	Little Goldstar	a dwarf form of 'Goldsturm'
	Perennial	Black-eyed Susan	Rudbeckia fulgida var.deamii		The basal rosettes of oval, hairy green leaves give rise in early July to nearly 3' tall stems, ending in large, yellow, black-eyed-Susan flowers
	Perennial	Black-eyed Susan	Rudbeckia grandiflora	Sundance	Billowy petals drape downward from a pronounced center cone on branching stems. Three feet tall and serenely beautiful as the sunny blossoms sway in the summer breeze. Sun
	Perennial	Black-eyed Susan	Rudbeckia triloba	Prairie Glow	Flowers are shades of red and orange, many with gold tips, perennial sun
	Perennial	Sedum	Sedum	Sunsparkler Dazzleberry	Perennial, sun well drained soil, 6" tall
	Perennial	Goldenrod	Solidago rigida	Golden Rockets	Bright gold flowers produced in dense rounded heads on 2' sturdy stems. Foliage is broad and adds to its beauty. Blooms late summer/ fall.
	Perennial	Ornamental Clover	Trifolium rubens f. album	Frosty Feathers	Dense, oval to cylindrical tapering large clover like white flowers in June and July, Reblooms after deadheading. Drought tolerant. Tolerates poor garden soil. Prefers soil high in calcium carbonate from underlying chalk or limestone rock. but overall undemanding in care.
	Perennial	Hardy Verbena	Verbena	Snowflurry	white flowers, blooms all summer, creeps around

	Perennial	Native Hardy Verbena	Verbena canadensis		We call this fabulous verbena "Kathy's Kandy" for master gardener Kathy Andrews who brought it to us from her pastures in Carroll County. Non-stop pink blooms, quite fragrant. Full sun, good drainage, native. Spreads nicely.
	Perennial	Threadleaf Ironweed	Veronia lettermannii	Iron Butterfly	Gorgeous soft threadlike foliage, blooms of truest purple, drought tolerant native, sun, drought tolerant, sun
	Shrub	Bottlebrush Buckeye	Aesculus parviflora		shade to part shade, white bottlebrush shaped flowers in late June and July. Spread over time to form colonies, average soil, native
	Shrub	Butterfly Bush	Buddleia	'Miss Molly'	
	Shrub	Butterfly Bush	Buddleia x	'Miss Ruby'	
	Shrub	Beautyberry	Callicarpa		
5	Shrub	Sweetshrub	Calycanthus floridus	Athens	yellow extremely fragrant flowers in spring
	Shrub	Sweetshrub	Calycanthus x	'Aphrodite'	fragrant bright red 2-3" flowers, full sun to part shade, 6-8' or more tall
8	Shrub	Hardy Camellia (Zone 6)	Camellia - early spring flowering	Ashton's Highrise	Search americancamellias.com, camtoocamellia.com, camforest.com for more information
8	Shrub	Hardy Camellia (Zone 6)	Camellia - early spring flowering	Ashton's Supreme	Search americancamellias.com, camtoocamellia.com, camforest.com for more information

13	Shrub	Hardy Camellia (Zone 6)	Camellia - spring flowering	April Tryst	Search americancamellias.com, camtoocamellia.com, camforest.com for more information
	Shrub	Flowering Quince	Chaenomeles	Double Take Orange Storm	thornless with large bright orange flowers in spring
	Shrub	Flowering Quince	Chaenomeles	Double Take Pink Storm	thornless with large bright pink flowers in spring
	Shrub	Red Twig Dogwood	Cornus amomum	Cayenne	This native selection stands out because the bright red stems shine all winter, even in the south. Green foliage looks good all summer and porcelain blue berries form in late summer. Good orange-red fall color. Appears to be Japanese beetle resistant in Georgia. Disease as well as canker resistant. Like its cousins, Cayenne is well-suited in shrub borders, good in moist areas and for wetland mitigation.
	Shrub	Gardenia	Gardenia	Crown Jewel	extra protect should be given http://crownjewelgardenia.com/info.htm
	Shrub	Dwarf Witchhazel	Hamamelis vernalis	Quasimodo	
2	Shrub	Witchhazel	Hamamelis x intermedia	Angelly	sun to part sun, tolerant of most soils except wet, clear yellow flowers in late winter, yellow fall color, praised by many experts
	Shrub	Witchhazel	Hamamelis x intermedia	Diane	
	Shrub	Seven Sons Flower	Heptacodium miconioides		Fragrant creamy white flowers open in 6" panicles in August, good for bees, 15-20' high, prefers some afternoon shade in the South, develops handsome gray/brown exfoliating bark
	Shrub	Rose of Sharon	Hibiscus	Sugar Tips	double pink sterile flowers on beautiful variegated foliage
2	Shrub	Columnar Rose of Sharon	Hibiscus	Purple Pillar™	
3	Shrub	Hardy Hibiscus	Hibiscus coccineus		bright red flower on a 6-10' tall plant, native
	Shrub	Smooth Hydrangea	Hydrangea aborescens	Haas' Halo	

	Shrub	Invincibelle® Spirit II Smooth Hydrangea	Hydrangea aborescens	Invincibelle® Spirit II	
	Shrub	Smooth Hydrangea	Hydrangea arborescens	Incrediball® Blush	
	Shrub	Smooth Hydrangea	Hydrangea arborescens	Invincibelle® Ruby	
	Shrub	Bigleaf Hydrangea	Hydrangea macrophylla	Fuji Waterfall	White lacecap flowers have beautiful "fireworks" effect stunning against dark green foliage, partial shade, good drainage
	Shrub	Baby Lace™ Panicle Hydrangea	Hydrangea paniculata	Baby Lace	Dwarf bred by Dirr, 4' tall and wide, dependable prolific white flowers, full sun to part sun, good drainage, drought tolerant,
	Shrub	Hydrangea	Hydrangea paniculata	Little Quickfire	
	Shrub	Panicle Hydrangea	Hydrangea paniculata	Sliver Dollar	
5	Shrub	Panicle Hydrangea	Hydrangea paniculata	Zinfin Doll	
4	Shrub	Panicle Hydrangea	Hydrangea paniculata	Fire Light	
	Shrub	Panicle Hydrangea	Hydrangea paniculata	Little Quickfire	early bloom on dwarf plant
3	Shrub	Panicle Hydrangea	Hydrangea paniculata	White Diamond	sun to part shade, 5-6' tall and wide in 6 years, 6-8" long panicles, earlier flowering than most
	Shrub	Oakleaf Hydrangea	Hydrangea quercifolia	Alice	
	Shrub	Winterberry Holly	Ilex verticillata	Apollo	Male, pollinator for Sparkleberry
6	Shrub	Winterberry Holly	Ilex verticillata	Southern Gentleman	Male, pollinator for 'Winter Red' and 'Winter Gold'
	Shrub	Winterberry Holly	Ilex verticillata	Sparkleberry	Noted for its dense, heavy fruiting of bright red berries, with good retention of the fruit throughout winter.
5	Shrub	Winterberry Holly	Ilex verticillata	Winter Gold	bright orange berries on bare stems in winter, 8' tall and wide, any soil - even soggy, more berries in sun but shade tolerant, needs male pollinator 'Southern Gent'
3	Shrub	Winterberry Holly	Ilex verticillata	Winter Red	bright red berries on bare stems in winter, 8' tall and wide, any soil - even soggy, more berries in sun but shade tolerant, needs male pollinator 'Southern Gent'
	Shrub	Anise Shrub	Illicium parviflorum	Florida Sunshine	Bright gold foliage holds color year round, large evergreen shrub for shade to part shade, wet or dry site (once established), 8 - 10 ft tall and wide eventually, fab!

5	Shrub	Crapemyrtle	Lagerstroema	Purple Magic	Plum Magic is a new semi-dwarf form of crape myrtle, blooming in early summer with fuchsia-pink flowers, forms a rounded shrub, with a dense, full shape, foliage emerges plum-purple and matures to rich dark green, nicely setting off the bright flowers. It will bloom again in late summer if the first flush of flowers are deadheaded. It has excellent resistance to leaf spot and powdery mildew and is perfect for foundation plantings or as an informal hedge.
	Shrub	Spicebush	Lindera benzoin		native shrub, small tree, later winter blooms of soft yellow, yellow fall color, host plant for spicebush swallowtail, used for spice in cooking and for tea
	Shrub	Hardy Orange	Poncirus trifoliata	Flying Dragon	White flowers in spring lead to orange golf ball size highly fragrant fruit in fall, twisted stems and thorns remain green during winter months, slowly matures to 10 ft. tall, full sun to part shade
	Shrub	Fine Line Buckthorn	Rhamnus frangula	Fine Line®	
	Shrub	Red Twiggled Willow	Salix x hybrid	Flame	see this link for more information http://utgardens.tennessee.edu/pom/flame_willow.htm
	Shrub	Elderberry	Sambucus racemosa	Lemony Lace™	
	Shrub	Spirea	Spirea thunbergii	Ogon	Tough durable selection with white spring flowers, bright yellow frilly foliage in summer. Best color in full sun, but tolerates part shade. Grows to 5 feet and absolutely glows in the fall.
	Shrub	Heat Tolerant Lilac	Syringa pubescens julianae	Red Pixie	Heat tolerant in Georgia trials, Reddish-purple spring flowers fade to a pale pink. Fragrant. Deer resistant
	Shrub	Heat Tolerant Lilac	Syringa x	Betsy Ross	Fragrant white flowers in spring, one of a handful of dependable lilacs for the South
	Shrub	Salt Cedar	Tamarix	Pink Cascade	
	Shrub	Pearlific Viburnum	Viburnum	Pearlific	
	Shrub	Brandywine Viburnum	Viburnum nudum	Brandywine	
	Shrub	Popcorn Viburnum	Viburnum plicatum	Popcorn	
	Shrub	Dwarf Chastetree	Vitex	Blue Diddley	
	Shrub	Color Guard Yucca	Yucca filamentosa	Color Guard	great color year round, easy in the ground or in containers, never makes trunks, showy flowers, no dangerous spines
	Tree	Mimosa	Albizia julibrissin	Summer Chocolate	Dramatic dark foliage all season, fragrant flowers attract butterflies, hummers, easily grown in sun, well drained soil, small spreading tree, 20' 20', rarely 30'
	Tree	River Birch	Betula nigra	Dura-Heat	more drought tolerant than the average riverbirch with better bark and less leaf drop

	Tree	Fox Valley™ Dwarf River Birch	Betula nigra	Little King	Dwarf form of native river birch, almost shrub-like but retains the colorful bark characteristics so prized in the full size tree, moist site preferred, sun to part shade
2	Tree	Redbud	Cercis canadensis	Alley Cat	small tree with typical purple bloom followed by foliage splashed with white variegation, stable, said not to burn even in full sun, good drainage, tolerates part shade
	Tree	Chinese Redbud	Cercis chinensis	Don Egolf	Compact with handsome green foliage. Vivid purple to mauve flowers cover the stems in spring, sun, good drainage
1	Tree	Chinese Redbud	Cercis chinensis	Kay's Early Hope	Compact with handsome green foliage. Vivid mauve flowers cover the stems in spring, sun, good drainage, Very early, very showy to 15 feet
4	Tree	Double Flowering Redbud	Cercis x	Pink Pom Poms	Double, dark pink to purple flowers that appear in spring. The flower display is outstanding. Seedless due to sterile blooms.
3	Tree	American Fringe Tree	Chinanthus virginicus	Spring Fleecing	
8	Tree	American Fringe Tree	Chinanthus virginicus	White Knight	
2	Tree	Chinese Fringe Tree	Chioanthus retusus	Tokyo Tower	Columnar form, precocious bloomer, white lacy spring flowers on tight narrow form, handsome foliage, 15' tall, 5-6' wide, sun to part sun, good drainage
1	Tree	Chinese Fringetree	Chionanthus retusus var. serrulatus		
	Tree	Daphniphyllum	Daphniphyllum macropodum		A beautiful 10 year old example of this evergreen, large shrub or small tree can be seen growing to the left side of the south entrance of the office building at the UT Gardens
8	Tree	Weeping American Persimmon	Diospyros virginiana	Magic Fountain	a weeping female selection of our native persimmon
4	Tree	Variegated Sweetgum	Liquidambar	Aurea	
6	Tree	Columnar Tulip Poplar	Liriodendron tulipifera	Arnold	50 feet tall, but columnar (narrow) in form (15-20') needs sun, tolerant of most soils except excessively wet, greenish flowers with orange center, fast growing
1	Tree	Flowering Magnolia	Magnolia	Blushing Belle	
	Tree	Green Mile™ Sweetbay Magnolia	Magnolia virginiana	MVHH	An unusual tight, mostly evergreen upright form selected by Hidden Hollow Nursery in Tennessee. Fragrant white flowers appear in June and continue blooming for most of the summer. Wet site tolerant.

4	Tree	Black Tupelo	<i>Nyssa sylvatica</i>	Green Gable	Noted for its, upright, pyramidal habit and extremely uniform branching. Summer foliage is lustrous, deep green, with fall color being brilliant red. Tolerant of wet soils. Discovered by Hidden Hollow Nursery, Tennessee.
4	Tree	Weeping Black Tupelo	<i>Nyssa sylvatica</i>	Penwood Weeper	graceful weeping form of native blackgum has yellow to orange fall color, female form with small black fruits prized by birds, adaptable to most soils, sun to part sun
9	Tree	Tupelo Tower™ Black Tupelo	<i>Nyssa sylvatica</i>	WFH1	Summer foliage is lustrous, deep green, with exceptional fall color. Columnar habit. Tolerant of wet soils
8	Tree	Black Tupelo	<i>Nyssa sylvatica</i>	Wildfire	sun to part sun, tolerant of most any soil, new growth has persistent showy red coloration, great fall color
8	Tree	Chines Pistache	<i>Pistacia chinensis</i>		Bradford pear size three has great fall color and will grow most anywhere. A beautiful specimen can be seen in the gardens grown in the shrub border north of the "big house"
1	Tree	White Flowering Apricot	<i>Prunus mume</i>	Omoi-no-mama	
1	Tree	Birthday Candle	<i>Quercus x</i>		columnar English oak hybridized with native swamp white for superior foliage characteristics, 6'x30 at 30 years, full sun, adaptable to most soil
	Tree	Japanese Zelkova	<i>Zelkova serrata</i>	Ogon	brilliant gold foliage on new growth, neat vase shaped habit, wind resistant and drought tolerant, good lawn tree 50 -80' tall, less wide, well drained soil, sun
8	Tree	American Smoketree	<i>Coninus obovatus</i>		
	Vine/Perennial	Fiveleaf Akebia	<i>Akebia quinta</i>		
	Vine/Perennial	Fiona Sunrise Jasmine	<i>Jasminum officinale</i>	Frojas	best spring or summer planted in full sun, need help getting started climbing, 10-15'
